

Troop 141 News

October 16, 2011

In response to parents wanting to know more of what is happening within the Troop, the Committee has agreed that the Newsletter will be sent one time per month after the Committee Meeting. If you have a topic, paragraph, or information you would like to get out to the Troop, please forward your pre-typed paragraph by the Saturday following the Committee Meeting to CommitteeChair@ScoutTroop141.org.

Please keep in mind that the Newsletter will be a significantly scaled down version – it will be no where near what Mr. Long spoiled us with.

ALWAYS remember to check the calendar <http://www.scouttroop141.org/cgi/plans.cgi> as things change.

Our Latest Eagle Scout.... Lee Long CONGRATULATIONS!!!

They are only good for **one year from the date the physical was performed.**

We need parents who will step up and help run some of the planned events or they risk being cancelled. Take a look at the calendar and let the Committee know that you are interested in being the adult or co-adult on a planned event. We currently have no parents signed up for the following November events: Canoe Float Trip

Patrol Names for the fall are:

A = No Ideas

B = Wolverines

C = Spartans

D = Invisible Ninja's

Remember to get your patrol patch and if there isn't a standard one, talk to the patrol leader.
